Course Description 課程簡介

本課程以聖經為中心，以福音派系統神學的主要範疇和研究題目如神論、基督論等為綱要，課程內容不單幫助學員確立對聖經權威的信心和神學探求的價值，並要幫助學員對系統神學有一個基礎的認識，從而建立一個牢固的信仰基礎和能闡明真道的神學架構，在日常生活和事奉中實踐真理。

The biblically based course is designed to be an introduction to the thematic study of Christian doctrines according to the evangelical tradition. The course aims at demonstrating the value of evangelical theology in Christian life and Christian ministry. It also helps student gain confidence in the authority of the Scriptures. It provides a biblically sound foundation for further reflection and study, and a theological framework that will enable believers to respond to the many challenges they have to face today.
